General Education Phase S1- any one piece of outstanding work produced as part of BGE phase in S1.

Recognition of Excellence in the Broad

General Education Phase S2- any one piece of outstanding work produced as part of BGE phase in S2.

Recognition of Excellence in the Broad

General Education Phase S3- any one piece of outstanding work produced as part of BGE phase in S3.

3D Printing- any one piece of work which has utilised 3D Printing in its production or has considered how 3D Printing could be used.

Laser Cutting- any one piece of work which has utilised Laser Cutting in its production or has considered how Laser Cutting could be used.

Excellence in Woodworking- any model manufactured from wood to a high standard.

Excellence in Metalworking- any model manufactured from metal to a high standard.

All of the following will be awarded at National 5, Higher and Advanced Higher levels

Graphics- any piece of graphics work produced e.g. rendered drawing, thumbnail sketches, orthographic sketches, engineering drawing produced on a drawing board, CAD, 3D modelling, digital thumbnails, DTP etc.
(maximum 3 pages)

Design- any piece of work which shows the development of a design idea produced manually or electronically which can (but is not essential) include a model or prototype which has been produced showing appropriate accuracy and complexity. (maximum 8 pages)

Engineering Report- any written piece of work about an aspect of engineering or an engineering project.

Recognition of Student Teachers

We ask for you to volunteer a Student Teacher on placement who has made an outstanding contribution to your schools and departments. This should reflect someone who has an interesting, motivating or innovative project which you consider good practice or someone who has worked exceptionally hard to learn and develop their skills and knowledge. This is valid for placements in the 2016-2017 session.

Recognition of Probationers

We ask for you to volunteer a Probationer who has made an outstanding contribution to your schools and departments. This should reflect someone who has an interesting, motivating or innovative project which you consider good practice or someone who has worked exceptionally hard to learn and develop their skills and knowledge. This is valid for placements in the 2016-2017 session.
