OTHER CATEGORIES

Recognition of Excellence of a Pupil with Additional Support Needs- any one piece of outstanding work produced by a pupil working in a ASN School or Support Unit within a mainstream school.

3D Printing- any one piece of work which has utilised 3D Printing in its production.

Laser Cutting- any one piece of work which has utilised Laser Cutting in its production.

Recognition of Student Teachers

We ask for you to volunteer a Student Teacher on placement who has made an outstanding contribution to your school / department. This should reflect someone who has an interesting, motivating or innovative project which you consider good practice or someone who has worked exceptionally hard to learn and develop their skills and knowledge. This is valid for placements in the 2018-2019 session.

Recognition of Probationers

We ask for you to volunteer a Probationer who has made an outstanding contribution to your school and department. This should reflect someone who has an interesting, motivating or innovative project which you consider good practice or someone who has worked exceptionally hard to learn and develop their skills and knowledge. This is valid for placements in the 2018-2019 session.

PRESIDENT'S AWARD

We ask for you to nominate an individual or group who merit recognition for their positive contribution within a Technical curriculum which falls out with other Award categories.
