

# 2020 Remote Learning Challenge

The Scottish Technology Teacher Association wants you to design some new digital content for their social media and have decided to run this competition, open to all young people in Scottish Secondary School and those in Primary 7 who will join our school communities in August.

One winner will be chosen by the committee for each category and receive a cash prize. One runner up from each category will also be picked and win a CDT goodie bag.

**Entry deadline is the 25<sup>th</sup> June 2020 and entries should be emailed to [mrsalisonfreeman@gmail.com](mailto:mrsalisonfreeman@gmail.com) including the name, school and year group of the person submitting.**

## Junior Competition- P7-S3 (in session May 2019- May 2020)

### LOGO DESIGN

To enter you must:

- Research the TTA and what it does. Identify their Target Market and what their Target Market would like a logo to include. **(Max 1 page)**
- Produce digitally or manually, 3 Initial Ideas- clearly annotated with the inspiration for the graphics used. **(Max 1 Page)**
- A presentation of your final idea, produced digitally where possible, which has your Name, School and Year Group clearly displayed.
